RE: MUR 4922

Dear Mr. Christensen:

On November 22, 2000, you were notified by letter of the actions taken by the Commission regarding the complaint you filed against the Suburban O'Hare Commission. Enclosed with that letter was a copy of the First General Counsel's Report in that matter.

Enclosed with this letter, please find copies of the Statements of Reasons for MUR 4922 adopted by the three Commissioners who voted not to accept the General Counsel's recommendations in MUR 4922. One Statement of Reasons is signed by Chairman Darryl R. Wold. The second Statement of Reasons was jointly issued by Commissioner David M. Mason and Commissioner Bradley A. Smith. Each document provides a detailed explanation for why these Commissioners rejected the General Counsel's recommendation that it find Reason to Believe that the Suburban O'Hare Commission violated 2 U.S.C. §§ 441b, 434(c), and 441d. These Statements of Reasons will be placed on the public record as part of MUR 4922's file.

If you have any questions, please contact me at (202) 694-1596.

Sincerely,

Marianne Abely
